Within any months the all nelas, tyng within a few miles of this city nd once counted among the riches o expert enument unless new mo himers and better and more work nen are obtained.

This condition is acutely realized pah Loige No. 25 as the local Azerbaijan government Kalghts of Pythias, thus which is controlled by Moscow, if evening Nomination of the oil is not forthcoming, this wi officers and other im mean the stopping of the on burn ing steamers of the Casplan see several handred in number, and 1000 more inchoats and steamers of the Volga still in repair, and the il-burning locomotives of the entire alway system of greater Russia

Efforts are being made to obtain machinery, possibly from the United States, by M. Serahovsky, a trained the Apex Mines company and took a of the oil fields, and also to induce

The pre-war production averaged annually about 18,000,000,000 pounds will run about 5,000,000,000 at best There have been but a few new wells this year and the old ones function slowly. The opening up of the pipeline to Batum for foreign export is out of the question, as here is not enough oil and Russia consumes much of the present suply herself.

It is feared there will be much difficulty in buying new machinery this winter, though the Azerbaijan sion at Constantinople that may go or credits for the machinery

ALTO

We believe that ALTO offers the best opportunity for a quick big profit that has come along for several years.

We are advising our friends to run out and see what they have got.

ALTO has a bigger showing than you can possibly realize. The management is inviting a personal inspection and will gladly show you through the mine. You can cut your own samples.
